SUNDARTA KI PEHCHAN

# BRICK

## JOINING MORTAR

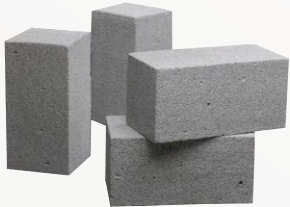

## DESCRIPTION

Trimurti Brick Joining Mortar is a premix ready to use high quality mortar for joining red bricks and fly ash bricks. Its contains cement, graded sand and special additives that provide superior strength and stability. It replaces the Conventional method of cement based mortar. Trimurti Brick Joining Mortar requires only water to prepare the product, reducing the hassle of measuring and maintaining the various individual elements, required to make traditional mortar.

## AREA OF APPLICATION

Fly ash bricks

Red bricks

## KEY BENEFITS AND FEATURES

High Quality & Easy Storage

Higher Productivity

Cost Effective

Superior Bond & Self Curing

Saves time & Labour cost

Less Pollution

**PACKING: - 30 Kg**
